Shared Ownership

Shared Ownership is a scheme designed to help people who wish to buy a home of their own, but who cannot afford the cost of buying the whole property outright. Shared Ownership is a great solution if:

- you're a first-time buyer • you used to own a home, but cannot afford to buy one now
- you own a home and want to move but cannot afford a new home suitable for your needs
- you're forming a new household - for example, after a relationship breakdown
- you're an existing shared owner and want to move

Under Shared Ownership, buyers purchase a proportion of their home and pay rent to Golding Homes for the remaining share. Service charges will also be payable on the property (for this development the minimum share that can be bought is 10%). In the future, should you be able to afford to, you can purchase further shares in the property, this is called 'staircasing' and, in most cases, you can purchase 100% of the property. At this point you will no longer pay rent. Our sales agent for this development is Connells Shared Ownership. For more information, please contact them on telephone: 01622 232499 or by email at: somerfieldterrace@connells.co.uk

- Minimum equity share to be sold: 10%
- Lease length: 990 years
- Staircasing: a minimum of 5% can be purchased, plus a 1% share can be purchased each year for 15 years. This right passes to new owners following a resale A 10 year period (or on final staircasing)

where the shared owner will be entitled to assistance from the Landlord of up to £500 per year for essential repairs (as prescribed). A maximum of £500 each year can be 'rolled over' to the following year

- The resale nomination period for the housing association to nominate a buyer is four weeks

Shared ownership - Eligibility

To be eligible for the shared ownership scheme, you need to meet the following criteria:

- Your annual household income must be under £80,000
- You are unable to purchase a home suitable for your needs without assistance
- You do not own another property which you intend to keep

Priority for shared ownership is given to:

- Parties with a connection to Maidstone
- Existing social housing tenants
- Serving or former members of the armed forces

Although the shared ownership scheme is usually aimed at first time buyers, applications from non-first time buyers may also be considered.

All potential purchasers will need to be qualified by our in house financial advisor who will check credit and affordability. Subject to passing these checks and eligibility your application will be passed to Golding Places for consideration.

DISCOUNT MARKET SALE

Discount Market Sale (DMS) a low cost home ownership product where you can buy a new build or existing property at a discounted price from a local council participating in the scheme in collaboration with developers (who are often housing associations).

This discount is 20%. a restriction is placed on the property's Land Registry Title to ensure that the property remains at that discounted rate in perpetuity for future purchasers.

The scheme is to help low and middle earners and first time buyers get onto the property ladder. Much like schemes such as Help to Buy and Shared Ownership there are eligibility criteria which you have to meet to satisfy the scheme's administrators.

They are sold at 20% below their current market value to buyers who meet the criteria.

Discount Market Sale - Eligibility

- Must be over the age of 18
- Must have a local area connection or be a serving member of the armed forces
- Must have a household income less than £80,000
- Must be a first-time buyer

- Must not be able to afford to purchase a home suitable for their needs on the open market
- Must not be in rent arrears
- Must have a good credit history
- Must have the required deposit (Enquire for details)
- Must have or have access to £4000 to cover the costs of purchase and moving
