FIELDING PARK

Golding Places proudly presents Fielding Park, an impressive collection of 1 & 2 bedroom apartments and 2 & 3 bedroom houses located in Shepway, just moments from the vibrant town of Maidstone, Kent.

Each home is finished to a high specification. Bedrooms feature quality fitted carpets, while living areas benefit from stylish vinyl tile flooring. The contemporary kitchens include modern cabinetry with complementary worktops and splashbacks, and come fully equipped with an integrated oven, electric hob, and fridge-freezer. Bathrooms offer ceramic tiled flooring, sleek branded sanitaryware, and high-quality chrome heated towel rails.

Thoughtfully designed for modern living, these homes balance comfort and practicality. A 12-year Buildzone warranty provides added reassurance, and spacious living areas create the perfect environment for both relaxing and entertaining.

Houses boast landscaped rear gardens accessed via French doors, while all apartments include a private terrace or balcony. Selected homes benefit from on-plot parking, and the estate offers public-use EV charging points. Sustainability is central to the development, with solar panels fitted to every home to help reduce energy costs.

Ideally situated near bustling Maidstone, Fielding Park offers excellent access to a wide range of amenities

including national retailers, cafés, restaurants, and bars. Leisure opportunities abound, with attractions such as the local golf course and the historic Leeds Castle close by. A choice of well-regarded local schools also makes the area particularly appealing for families.

For commuters, Maidstone East Station provides convenient rail links to London Victoria and London Bridge in approximately an hour. While Maidstone West offers regular trains to London St Pancras with journeys as short as 55 minutes. Local transport is well supported by regular Arriva bus services, and the nearby M20 offers direct access to Maidstone and seamless connections to the M25, ideal for those travelling further afield.

SHARED OWNERSHIP

Shared Ownership is a scheme designed to help people who wish to buy a home of their own, but who cannot afford the cost of buying the whole property outright.

Shared Ownership is a great solution if:

- You are a first-time buyer
- You used to own a home, but cannot afford to buy one now
- You own a home and want to move but cannot afford a new home suitable for your needs
- You are forming a new household - for example, after a relationship breakdown
- You are an existing shared owner and want to move

Under shared ownership, buyers purchase a proportion of their home and pay rent to Golding Homes for the remaining share. Service charges will also be payable on the property. This is a New Model Shared Ownership development and the minimum share which can be bought is 10%. In the future, should you be able to afford to, you can purchase further shares in the property, and in most cases you can purchase 100% of the property. At this point you will no longer pay rent.
